

201. Gustafs skål

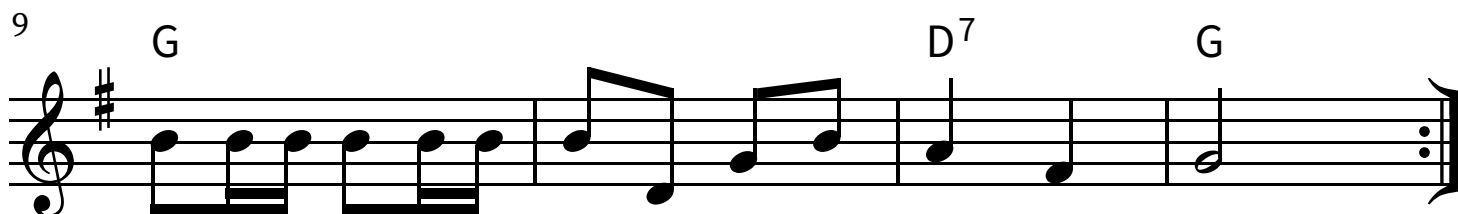

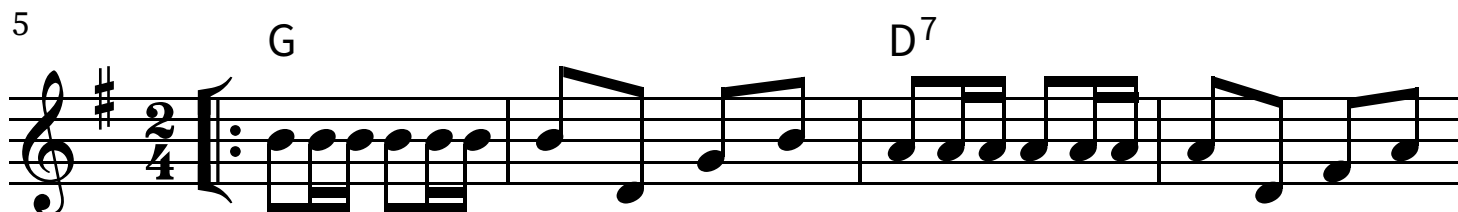

Carl Michael Bellman, 1772

Gus-tafs skål! Den bäs-te Kung, som Nor-den ä-ger.
Så-dan Kung är värd att sty-ra Sveri-ges ö-den.

Han ej tål, att vigt-skål'n o-jämt vä-ger
Rask och ung, ej råd-lös ut-i nö-den

NOTE: This song by composer and performer Carl Michael Bellman (1740-1795) is a toast ("skål") written in 1772 to the new king of Sweden, Gustaf III, praising him as a young, dynamic, and unflinching leader who will ensure justice.
